CAPITALIZE ALBANY CORPORATION

PROCUREMENT POLICY (NON-REAL ESTATE PROCUREMENTS)

SECTION 1. PURPOSE AND AUTHORITY. The purpose of this procurement policy (the “Policy”) is to outline the procurement policy of Capitalize Albany Corporation (the “Corporation”) applicable to procurements of goods and services paid for by the Corporation for its own use and benefit.

SECTION 2. SECURING GOODS AND SERVICES. All goods and services will be secured by use of written requests for proposals, written quotations, verbal quotations, or any other method that assures that goods/services will be purchased in a competitive manner except for in the following circumstances: purchases costing less than \$7,500; purchases under state contracts pursuant to Section 104 of the General Municipal Law; purchases under county contracts pursuant to Section 103(3) of the General Municipal Law; or purchases pursuant to Section 4 of this Policy. Regardless of the estimated cost of any purchase of goods and/or services, the Corporation will seek to obtain the best value for the Corporation while meeting all relevant purchase requirements.

SECTION 3. METHOD OF PURCHASE. The following method of purchase will be used when required by this Policy in order to achieve the highest savings:

<u>Estimated Amount of Purchase Contract</u>	<u>Method</u>
\$7,501-\$10,000	Price obtained by 2 verbal quotations with the approval of two CAC officers
\$10,001-\$50,000	Price obtained by 3 written/fax quotations with approval by two CAC officers
\$50,001 and above	Price obtained through issuance of Request For Proposals with award made by resolution of Board of Directors

(B) Number of Proposals or Quotations. A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement.

(C) Documentation. Documentation is required of each action is taken in connection with each procurement. Documentation and an explanation is required whenever a contract is awarded to other than the lowest responsible offeror. This documentation will include an explanation of how the reward will achieve savings or how the offeror was not responsible. A determination that the offeror is not responsible shall be made by the purchaser and may not be challenged under any circumstances.

SECTION 4. CIRCUMSTANCES WHERE SOLICITATION OF ALTERNATIVE PROPOSALS AND QUOTATIONS NOT IN BEST INTEREST. This Policy may contain circumstances when, or types of procurements for which, in the sole discretion of the directors of the Corporation, the solicitation of alternative proposals or quotations will not be in the best interest of the Corporation. In the following

circumstances, it may not be in the best interests of the Corporation to solicit quotations or document the basis for not accepting the lowest bid:

(A) Professional Services. Professional services or services requiring special or technical skill, training or expertise. The individual, company or firm must be chosen based on accountability, reliability, responsibility, skill, conflict of interests, reputation, education and training, judgement, integrity, continuity of service and moral worth. Furthermore, certain professional services to be provided to the Corporation, e.g., legal and accounting services, impact liability issues of the Corporation and its directors, including securities liability in circumstances where the Corporation is issuing bonds. These qualifications and the concerns of the Corporation regarding its liability and the liability of its directors are not necessarily found or addressed in the individual, company or firm that offers the lowest price and the nature of these services are such that they do not readily lend themselves to competitive procurement procedures.

In determining whether a service fits into this category, the Corporation shall take into consideration the following guidelines: (a) whether the services are subject to state licensing or testing requirements; (b) whether substantial formal education or training is a necessary prerequisite to the performance of the services; and (c) whether the services require a personal relationship between the individual and the directors of the Corporation. Professional or technical services shall include but not be limited to the following: services of an attorney (including bond counsel); services of a physician; technical services of an engineer engaged to prepare plans, maps and estimates; securing insurance coverage and/or services of an insurance broker; services of a certified public accountant; investment management services; printing services involving extensive writing, editing or art work; management of Corporation-owned property; real estate brokerage services; appraisers; and computer software or programming services for customized programs, or services involved in substantial modification and customizing of pre-packaged software.

(B) Emergency Purchases. Due to the nature of this exception, these goods or services must be purchased immediately and a delay in order to seek alternate proposals may threaten the life, health, safety or welfare of the public. This section does not preclude alternate proposals if time permits.

(C) Purchases of Secondhand Goods. Purchases of surplus and second-hand goods from any source. It is difficult to try to compare prices of used goods and a lower price may indicate an older product.

(D) Goods or Services Under \$7,500.

(E) Special Findings. In the event the Corporation determines that the solicitation of alternative proposals or quotations is not in the best interests of the Corporation, the Corporation must make such determination by resolution duly adopted and entered into the minutes of the Corporation. Such resolution should include any findings described in this Section 4 supporting such determination.

SECTION 7. POLICY REVIEW. This policy will be reviewed annually.

**RESOLUTION 13-2018
OF THE
CAPITALIZE ALBANY CORPORATION**

WHEREAS, pursuant to New York Public Authority Law §2896 (“PAL”), the Capitalize Albany Corporation has adopted written Property Disposition and Acquisition Policies (“Policies”); and

WHEREAS, pursuant to PAL, the Policies are to be “annually reviewed and approved by the governing body of the public authority”; and

NOW THEREFORE BE IT RESOLVED, that the attached Policies have been reviewed and approved.

The Corporation may execute such documents for the transfer of title or other interest in property and take such other action as it deems necessary or proper to dispose of such property under the provisions of this section. Provided, however, except in compliance with all applicable law, no disposition of real property, any interest in real property, or any other property which because of its unique nature is not subject to fair market pricing shall be made unless an appraisal of the value of such property has been made by an independent appraiser and included in the record of the transaction.

D. Sales by the New York State Commissioner of General Services (the “Commissioner”). - (iii) Disposals and contracts for disposal of property may be negotiated or made by public auction without regard to subsections (i) and (ii) of this Section F but subject to obtaining such competition as is feasible under the circumstances, if:
- (A) the personal property involved is of a nature and quantity which, if disposed of under subsections (i) and (ii) of this Section F, would adversely affect the state or local market for such property, and the estimated fair market value of such property and other satisfactory terms of disposal can be obtained by negotiation;
 - (B) the fair market value of the property does not exceed fifteen thousand dollars (\$15,000.00);
 - (C) bid prices after advertising therefore are not reasonable, either as to all or some part of the property, or have not been independently arrived at in open competition;
 - (D) the disposal will be to the state or any political subdivision or public benefit corporation, and the estimated fair market value of the property and other satisfactory terms of disposal are obtained by negotiation;
 - (E) the disposal is for an amount less than the estimated fair market value of the property, the terms of such disposal are obtained by public auction or negotiation, the disposal of the property is intended to further the public health, safety or welfare or an economic development interest of the Corporation, the state or a political subdivision (to include but not limited to, the prevention or remediation of a substantial threat to public health or safety, the creation or retention of a substantial number of job opportunities, or the creation or retention of a substantial source of revenues, or where the authority's enabling legislation permits or other economic development initiatives), the purpose and the terms of such disposal are documented in writing and approved by resolution of the board of the Corporation; or
 - (F) such action is otherwise authorized by law.

- (iv) (A) An explanatory statement shall be prepared of the circumstances of each disposal by negotiation of:
 - (1) any personal property which has an estimated fair market value in excess of fifteen thousand dollars (\$15,000.00);

 - (4) any real property or real and related personal property disposed of by exchange, regardless of value, or any property any part of the consideration for which is real property.
- (B) Each such statement shall be transmitted to the persons entitled to receive copies of the report required in Section 2.B (ii) of this Policy not less than ninety (90) days in advance of such disposal, and a copy thereof shall be preserved in the files of the Corporation making such disposal.
