

City of Albany Small Business Façade Improvement Program

CAPITALIZE ALBANY
CORPORATION

About The Program

The City of Albany Small Business Façade Improvement Program is a 50/50 matching grant program designed to support small businesses throughout the City of Albany, providing the opportunity for business owners to reinvest in their properties.

How Do I Apply?

The Façade Program's grant application process is administered by the City of Albany's economic development organization — Capitalize Albany Corporation — applications and program guidelines are available online at

www.CapitalizeAlbany.com/grants.

16 Judson Street, Neighborhood Fresh Market

How Much Funding Can Match My Investment?

A matching grant program, the program will provide up to \$10,000 to small businesses for exterior renovations.

Where Does My Business Need To Be Located?

This is a citywide program for small businesses located in the City of Albany.

What Types Of Improvements Are Eligible?

Decorative or functional improvements such as storefronts and entrances, exterior signs, lighting, windows, awnings, exterior painting, brickwork and more.
