Chairman Michael Castellana called the Regular Meeting of the Capitalize Albany Corporation ("Corporation") Board to order at 8:02 a.m.

Review of the minutes from the Regular Meeting of August 24, 2021

The Board reviewed the minutes of the August 24, 2021 Regular Board meeting. Havidan Rodriguez made a motion for approval, Michael Fancher seconded. A vote being taken, the motion passed with all members voting aye, and the minutes were accepted.

Report of Executive Staff – Corporation Update

Staff provided an overview of the Corporation's operational and strategic activities since the last Board meeting in August, including a general update on staffing changes and operational activities and detailed updates on the following matters.

Clinton Market Collective Construction Manager – Resolution 6-2021

Staff updated the Board on the procurement process for the Construction Manager RFP released in July and recommended the selection of TW&A Construction Management (TW&A) to assist the Corporation in the construction of the Clinton Market Collective following an interview and evaluation process. TW&A is a construction management firm based out of Schenectady that only represents owners and has worked extensively with the Schenectady Metroplex Development Authority. The project is expected to begin bidding and construction in early 2022. A motion was made by Matthew Peter to accept *Resolution 6-2021* and was seconded by Anders Tomson. The motion passed with all members voting aye.

Report of the Finance & Investment Committee

Montgomery Street Easement – Resolution 7-2021

Matt Peter left recused himself and left the meeting at 8:14 after stating a previously-disclosed conflict of interest as Executive Director of the Albany Parking Authority.

Staff updated the Board on the progress of the proposed access easement along the former roadbed of Montgomery Street with the APA following their termination of the license agreement to manage the street. Staff informed the Board that Pursuant to Public Authorities Law and the Corporation's property disposition guidelines, the Corporation is authorized to dispose of property and is exempted from publicly advertising for bids as the disposition is within the purpose, mission, or governing statue of the Corporation. Given that the License Agreement expires next month and there is agreement with the APA on all terms except maintenance between that APA and the Corporation, staff recommended approval of the easement, subject to an acceptable maintenance plan. An approval now would allow staff to begin finalizing the required disposition documents for a late October closing. A motion to accept *Resolution 7-2021* was made by David Parente and seconded by Heather Briccetti. The motion passed with all present members voting aye and Matthew Peter recused.

Matthew Peter rejoined the meeting at 8:19.

Legal Update

A motion was made by Havidan Rodriguez and seconded by Matthew Peter to enter executive session to discuss pending litigation. A vote being taken, the motion passed with all members voting aye. The Board went into Executive Session at 8:21.

The Board exited Executive Session at 8:51 a.m. following a motion from Matthew Peter which was seconded by Havidan Rodriguez and passed with all members voting aye. No action was taken in executive session.

Adjournment

There being no further business the Capitalize Albany Corporation Board meeting was adjourned at 8:59 a.m. with a motion from Anders Tomson which was seconded by Anthony Gaddy and passed unanimously.

CAPITALIZE ALBANY CORPORATION CODE OF ETHICS

This Code of Ethics shall apply to all Directors and employees of the Capitalize Albany Corporation (CAC). These policies shall serve as a guide for official conduct and are intended to enhance the ethical and professional performance of CAC's Directors and employees and to preserve confidence in the CAC's mission.

Responsibility of Directors and Employees

- a. No Director or employee of CAC should accept other employment which will impair his/her independence of judgment in the exercise of his/her official duties. If such a condition exists, then such Director or employee should disclose such other employment to the Corporation and recuse himself/herself from participation in decision-making/voting related to the relevant matter.
- b. No Director or employee of CAC should accept employment or engage in any business or professional activity which will require him/her to disclose confidential CAC information which he/she has gained by reason of his/her CAC position or authority.
- c. Directors and employees shall manage all matters within the scope of the CAC's mission independent of any other affiliations or employment. Directors and employees employed by more than one entity shall strive to fulfill their professional responsibility to the CAC without bias and shall support the CAC's mission to the fullest.
- c. No Director or employee of CAC should disclose confidential CAC information acquired by him/her in the course of his/her CAC duties nor use such information to further his/her personal interests.
- d. No Director or employee of CAC should use or attempt to use his/her or her official position to secure unwarranted privileges or exemptions for himself/herself or others, including but not limited to, the misappropriation to himself/herself or to others of CAC property, services or other resources for non-CAC purposes.
- e. No Director or employee of CAC should engage in any transaction as representative or agent of CAC with any business entity in which he/she has a direct or indirect financial interest that might reasonably tend to conflict with the proper discharge of his/her CAC duties. If such a condition exists, then such Director or employee should disclose that he/she possesses an interest that may present a conflict with his/her/her CAC duties and recuse himself/herself from participation in decision-making/voting related to the relevant matter.
- f. An Director or employee of CAC should not by his/her conduct give reasonable basis for the impression that any person can improperly influence him/her or unduly enjoy his/her favor in the performance of his/her official duties, or that he/she is affected by the kinship, rank, position or influence of any party or person. Directors and employees shall not accept or receive any gift or

gratuities where the circumstances would permit the inference that: (a) the gift is intended to influence the individual in the performance of CAC business or (b) the gift constitutes a tip, reward, or sign of appreciation for any official CAC act by the individual.

g. An Director or employee of CAC should abstain from making personal investments in enterprises which he/she has reason to believe may be directly involved in decisions to be made by him/her or which will otherwise create substantial conflict between his/her CAC duty and his/her private interest. Similar to (a) above, if such a condition exists, then such Director or employee should disclose that he/she possesses an interest that may present a conflict with his/her CAC duties and recuse himself/herself from participation in decision-making/voting related to the relevant matter.

h. An Director or employee of CAC should endeavor to pursue a course of conduct which will not raise suspicion among the public that he/she is likely to be engaged in acts that are in violation of his/her CAC duties and responsibilities.

Implementation of Code of Ethics

This Code of Ethics shall be provided to all Directors and employees upon commencement of employment or appointment and shall be reviewed annually by the Governance Committee. The Board may designate an Ethics Director, who shall report to the Board and shall have the following duties:

- Provide counsel (in confidence or otherwise as requested) to CAC Directors and employees who seek advice about ethical behavior;
- Receive and investigate complaints about possible ethics violations;

Reporting Unethical Behavior

Directors and employees are required to report possible unethical behavior by a Director or employee of the CAC to the Ethics Director. Directors and employees may file ethics complaints anonymously and are protected from retaliation by the policies adopted by the CAC.

Conflict of Interest Policy

A major strength of the Capitalize Albany Corporation (CAC) is the insight and knowledge provided by its Board of Directors. Due to their respective business/government positions, member of the CAC Board are active in the community and in business transactions within the City of Albany. Inevitably, perceived or real conflicts of interests and governance issues may arise. Conflict of interests (real and perceived) should not prevent an individual from serving as a director or staff member unless the extent of the interest is so significant that the potential for divided loyalty is present in a significant number of situations. CAC's **Conflict of Interest policy** requires that members of the Board of Directors and staff reveal any personal, family or business interests that they have, that, by creating a divided loyalty, could influence their judgment as it relates to CAC. **A conflict of interest exists** whenever an individual could benefit, directly or indirectly, from access to information or from a decision over which they might have influence, or, where someone might reasonably perceive there to be such a benefit and influence. Examples of possible conflict of interest situation with respect to CAC include, but are not limited to:

- A board or staff member has a personal or business relationship with the CAC as a supplier of goods or services or as a landlord or tenant
- A board or staff member has a direct or indirect interest financially in any contract entered into by CAC or accepts any gratuity, financial or otherwise, from any vendor of CAC
- A board or staff member has a personal or financial relationship with a client/borrower of CAC
- CAC is employing someone who is directly related to, or has a personal or financial relationship with, a board member or other staff member
- Conduct that is disloyal, disruptive, competitive, or damaging to CAC; for example, staff should not accept outside employment if that employment is to be conducted during the hours that the staff member is working for CAC, or if such employment conflicts with the effectiveness of the staff member's work for CAC
- A board or staff member is utilizing CAC information or services for their personal use
- A staff member is performing activities that are unrelated to CAC work during working hours
- A staff member of CAC shall not directly or indirectly, solicit any gift, or accept or receive any gift having a value of seventy-five dollars or more, whether in the form of money, services, loan, travel, entertainment, hospitality, thing or promise, or any other form.

Procedure for Handing an Actual, Perceived or Possible Conflict of Interest

- 1. The Board shall annually complete a "Conflict of Interest Declaration" which shall be reviewed by the CAC Governance/Audit Committees to determine if the potential for a conflict of interest exists. Additionally, prior to election of any new member of the Board, such member will complete/submit the declaration to the CAC Governance/Audit Committees.
- 2. In addition to the declaration submitted in accordance with #1 above, members of the Board and staff have a duty to disclose (as soon as practicable) any personal, family, or business interests that may, in the eyes of another person, influence their judgment.
- 3. The Board as a whole has a duty to disclose specific conflicts or interests to the CAC Governance Committee when that interest may affect the reputation or credibility of the organization, and to disclose the Board's procedure for operating in the presence of such conflicts.
- 4. Board members and staff have a duty to recuse themselves from participating in any <u>discussion</u> and <u>voting</u> on matters on which they have a conflict of interest. Such exemptions should be recorded in minutes of meetings if normally kept.
- 5. Any business relationship between an individual (or a company where the individual is an owner or in a position of authority) and CAC, outside of their relationship as a Board or staff member, must be formalized in writing and approved by the Audit/Governance Committee and the full Board of Directors.
