INTRODUCTION

Capitalize Albany Corporation is a registered 501(c) (3) not-for-profit organization which implements programs and resources that create, retain, and attract business in the City of Albany, New York. Capitalize Albany Corporation facilitates transformational development projects guided by its strategic planning initiatives, such as Capitalize Albany Corporation's economic development strategy – Impact Downtown Albany.

In the Fall of 2012, Capitalize Albany Corporation embarked on the development of Impact Downtown Albany – an inspiring document that, through its implementation, will position Downtown's future as the ideal urban center – a strong economic hub, a vibrant neighborhood and a modern, dynamic destination. Impact Downtown provides bold, creative and actionable recommendations that honor Downtown Albany's rich history, capitalize on current momentum and maximize its future potential as the heart of New York State's "Tech Valley." The plan brought Downtown's diverse stakeholders together to build a vision for the plan area's future and to commit to strategies that will achieve cross- sector success. The strategies built by this plan focus on attracting a new generation of talent and organizations in addition to strengthening and revitalizing the built environment. Impact Downtown Albany shows that not only is there a significant demand for retail Downtown, but that Downtown will thrive when the retail mix fully represents Albany's unique local character.

However, many existing retail facilities in Downtown require upgrades to suit today's business needs, and private investment cannot bear the burden of these costs alone. In order to make these projects feasible and to attract and retain the specific retail businesses that are most complementary to Downtown's current housing, office, and visitor market, Capitalize Albany Corporation has designed the Downtown Albany Retail Grant Program, an Implementation Action specifically identified in the Impact Downtown Albany strategy.

PROGRAM DESCRIPTION

The Downtown Albany Retail Grant Program is designed to create an incentive to attract new and enhance existing retail businesses in selected areas of downtown Albany, New York. Capitalize Albany Corporation has allocated funding for recoverable grants to eligible property or business owners with qualified projects to assist with paying some of the costs associated with renovating or preparing commercial space for an eligible retail use beginning on page three (3). The program will offer direct grants from Capitalize Albany Corporation, which will be paid out to the business when the project is complete and the business is open.

Under this program, grants will be provided as a reimbursement to the applicant for the eligible costs indicated on page four (4) of these program guidelines, subject to approval by Capitalize Albany Corporation staff. The grant funds will be provided to the applicant when the project is complete and open for business. Under no circumstances will grant funds be provided to an applicant prior to all project costs being incurred and the project completed/business open and operating.

In order to produce the greatest impact on the retail core in Downtown, Capitalize Albany Corporation has created this program with two tracks of funding available. Track #1 has been established for new retail locations in Downtown, and Track #2 has been established for existing retail locations in Downtown. Please note that the program guidelines for Track #1 and Track #2 will differ in some respects. However, where deviations in the program guidelines are not specifically stated, the program rules and regulations for Track #1 and Track #2 shall be the same.

Track #1 - New retail locations

Grants shall be at least \$10,000, and Capitalize Albany Corporation generally seeks to provide no more than eighty percent (80%) of the financing for any particular project; furthermore, Capitalize Albany Corporation reserves the right to modify such terms. The amount of funds will be awarded based on the project meeting the basic eligibility requirements, the size of the project, the demonstrated need, feasibility of the project, and the strategic value of the project.

Track #2 – Existing retail locations

Grants shall be at least \$10,000, and Capitalize Albany Corporation generally seeks to provide no more than fifty percent (50%) of the financing for any particular project; furthermore, Capitalize Albany Corporation reserves the right to modify such terms.

The amount of funds will be awarded based on the project meeting the basic eligibility requirements, the size of the project, the demonstrated need, feasibility of the project, and the strategic value of the project.

Staff can assist with identifying available finance options through commercial lending institutions and/or local not-for-profits such as the Community Loan Fund of the Capital Region. All funding is required to be committed and available at the time of application. Please contact Capitalize Albany prior to application if you need assistance in connecting with additional financial resources to complete the project.

PROGRAM GOALS

To further the visions and recommendations of the Impact Downtown strategy, Capitalize Albany Corporation has developed the following program goals:

- 1) To enhance existing and attract new businesses that provide a need/desired service within Downtown in order to increase foot traffic and to create a vibrant commercial core
- 2) To strengthen the retail mix in the City of Albany's downtown via variety and complementary stores
- 3) To improve the image of the downtown as a destination for the community, visitors and tourists
- 4) To stimulate private retail investment within the downtown through property improvement, business development, retention and expansion
- 5) To revitalize and improve the appearance of downtown's streetscape by activating vacant properties
- 6) To encourage the creation of low barrier to entry jobs for City of Albany residents, as well as others in the region
- 7) To create induced and indirect economic spinoff including sales tax generation
- 8) To leverage public and private investment in the City of Albany and encourage more to occur

APPLICANT AND PROJECT ELIGIBILITY

To be eligible for this program, the application must be on behalf of a retail business, which is defined as a commercial enterprise that offers merchandise, food, or services provided to the public, the sale of which is subject to sales tax, or other strategic services at the discretion of Capitalize Albany Corporation staff, and from which the revenue derived constitutes the majority of revenue for the business. Eligible businesses must be legal entities, which are registered and licensed (if required) to operate in New York State. Applicants must also certify that they are current on all property and/or business taxes prior to award and clear of any permitting or codes violations as a condition of reimbursement. Furthermore, the business must not be identified in the list of ineligible businesses contained in these program guidelines.

Eligible projects must be located in the downtown within the State Street and Pearl and Broadway districts identified in the Impact Downtown strategy (see Appendix A for the map of the boundaries for the program). Eligible applicants must be commercial tenants of Downtown property that possess a long-term lease of at least five years or property owners or jointly property owner and tenant. If the applicant is a lessee, written consent from the property owner giving permission to conduct the improvements will be required.

The program is available to both existing and new retail businesses that currently occupy/are planning to occupy first- floor space with street front presence and access, complement the downtown retail mix, and help strengthen the existing retail clusters. If a relocation of an existing business from another location within the City, the applicant must show evidence of expansion or inability to continue to operate at the existing location. Approval for relocation is at the sole discretion of Capitalize Albany Corporation staff.

Track #1 - New retail locations

In order to be eligible to apply for Track #1, the business must be a new retail business to the City of Albany or a current business that is expanding operations by adding an additional location in the downtown area described above. Track #1 projects may be inclusive of both interior and exterior improvement activities.

Track #2 – Existing retail locations

In order to be eligible to apply for Track #2, the business must be an existing retail business located in the downtown district described above. Track #2 projects will be limited to exterior façade improvement activities.

For both funding tracks, generally, renovation projects must exceed the minimum project costs described above before Capitalize Albany Corporation will consider the project for grant funding. Mixed-use projects improving multiple floors can qualify for funds, provided the ground floor will be used for retail. However, only renovations to the ground floor retail space are eligible as part of the Capitalize Albany Corporation Downtown Albany Retail Program funding request.

Land use must be in conformity with the applicable zoning regulations. Non-conforming land uses, sites, and structures are eligible for grant funds only if the non-conformities are brought into compliance through the grant award.

Applications must include projected tangible benefits to the Downtown, such as annual sales, number of jobs created, etc. Please see the Scoring System section of these guidelines for additional detail.

Eligible applicants must be able to commit to remain in the location for at least two (2) years and must create or retain for two (2) years during the term of the agreement one (1) or more full-time equivalent jobs. For larger funding requests, additional job creation or retention may be required, at the discretion of Capitalize Albany Corporation.

DESIRED BUSINESSES

Through Impact Downtown, it was identified that the City of Albany should nurture a unique retail mix. Downtown retail will compete best if it offers a distinct type of product or experience different from what is available in other downtowns or suburban areas in the region. This will help downtown stand out as a retail destination of interest, while also reinforcing downtown's appeal as a unique place to live and work. To this end, the following types of retail are most appropriate for downtown Albany. The preferred business will create or enhance the economic activity in the area and drive more retail to locate here. The list below is not all inclusive but serves as a guide only. Preference will be given to following types of businesses:

- Destination restaurants/venues

REVIEW PROCESS

Grant applications will not be evaluated until all of the requested information is included and approved by Capitalize Albany Corporation staff. All eligible, completed applications will be evaluated on a case-by-case basis by Capitalize Albany Corporation staff (as described below under "Scoring System and Scoring Process").

Capitalize Albany Corporation will meet monthly to review applications, unless no applications have been submitted. The applicant may be requested to present the project concept, business plan and funding arrangement and articulate how the project meets the objective of the program to Capitalize Albany Corporation staff. Capitalize Albany Corporation is looking for projects that will have a major impact on the Downtown retail environment.

Capitalize Albany Corporation reserves the right to reject any project. Throughout the review process, Capitalize Albany Corporation staff will have the right to request more information, or to request specific design or operating changes. Capitalize Albany Corporation also reserves the right to recommend funding at a lesser amount than what is requested by the applicant based on project size, budget, priority of retail use, as well as funding availability. Capitalize Albany Corporation will award funds on a competitive, first-come, first-served basis until available funding is exhausted.

Among other criteria, the Corporation will analyze the investment level, strategic value and overall project impact of each proposed project. A building/parcel with an active Downtown Albany Retail Grant Program application and/or award or other Capitalize Albany Corporation grant will be subject to additional review. Additionally, a building/parcel/applicant requesting more than one (1) grant in the same 12 month period will be subject to additional review.

SCORING SYSTEM

All applications will be scored on both the feasibility as well as the demonstrated strategic value of the project. The feasibility of the business and proposed project will serve as a threshold eligibility standard. A successful application will be the one that conveys the most promising combination of financial feasibility, product and market research, growth potential job creation, and financial need. Financial need or gap analysis must be included in the business plan.

The below scoring system is intended to be a guiding tool for Capitalize Albany Corporation staff:

0-25 Points – Feasibility Review (see point breakdown below):

0 – 5 Points	Application shows good short term profit potential and contains realistic financial projections
0 – 5 Points	Application shows how the business will target a clearly defined market and its competitive edge
0 – 5 Points	Application shows that the management team has the skills and experience to make the business successful
0 – 5 Points	Application shows that the entrepreneur will make a personal (equity) investment in the business venture
0 – 5 Points	Number of job positions created or retained in excess of the required one (1) full-time equivalent position

The maximum number of points for the Feasibility Review is twenty-five (25) points. An application must score a minimum of fifteen (15) points in order to progress to the Strategic Value Review.

Following a successful evaluation under the Feasibility Review, the project will be subject to a Strategic Value Review, as supported by the Impact Downtown strategy.

0-25 Points – Strategic Value Review (see point breakdown below):

0-5 Points	Expansion of the local property tax base by stimulating new investment in older, Downtown properties
0-5 Points	Expansion of the state and local sales tax base by increasing sales for new or existing shops
0-5 Points	Uniqueness in the downtown marketplace/right concept in the right location
0-5 Points	Brand recognition/ability to attract customers and other retailers to the area
0-5 Points	Expressive retail storefront design/high quality interior design

The maximum number of points for the Strategic Value Review of the project is twenty-five (25) points.

5 Bonus Points – Track #1 applicants will qualify for additional automatic points if the concept is an existing regional chain-let or regional business. Track #2 applicants are not eligible for these points.

Up to 5 Bonus Points – Track #1 applicants will qualify for additional points based on the percentage of projected employees that are anticipated to be City of Albany residents. Track #2 will qualify for additional points based on the percentage of employees that are City of Albany residents.

The maximum number of points for review of the application is fifty (50) points, with the opportunity to reach sixty (60) points with all bonus points.

SCORING PROCESS

I. **FEASIBILITY REVIEW.** Once the application is determined by Capitalize Albany Corporation staff to be complete, Capitalize Albany Corporation staff will complete the Feasibility Review. A minimum score of fifteen (15) points (out of a possible twenty-five (25) points) is required in order for the proposed project to continue to be considered for funding.

II. **STRATEGIC VALUE REVIEW.** Capitalize Albany Corporation staff will then score all feasibility-qualified projects (those projects which achieve at least fifteen (15) points during the Feasibility Review Process) based on their demonstrated strategic value (using the same criteria/scoring described above in the Strategic Value Review table) following the applicant's presentation to Capitalize Albany Corporation.

For applicants under Track #1, a minimum total score of forty (40) must be obtained in order to be eligible to receive a recommendation for award from Capitalize Albany Corporation. For applicants under Track #2, a minimum total score of thirty (30) must be obtained in order to be eligible to receive a recommendation for award from Capitalize Albany Corporation. Please note: if a project under Track #1 receives forty (40) points or higher or a project under Track #2 receives thirty (30) points or higher, it does not guarantee that the project will receive funding. These are minimum thresholds to be considered for award and do not bind Capitalize Albany Corporation to make any award.

Throughout the program, the proportion of projects awarded under each funding track will be continually evaluated. This may have an effect on award recommendations, but will be done to ensure that the limited program funds achieve the greatest impact.

Following the completion of the scoring process, if Capitalize Albany Corporation determines that the project should move forward, a grant award will be approved. Capitalize Albany Corporation staff has the final authority to approve or deny the project application. In addition, the amount of the grant is determined in the sole and absolute discretion of Capitalize Albany Corporation, based on the availability of funds. Notification of grant funding approval or denial will be sent to the applicant by Capitalize Albany Corporation staff.

UPON APPROVAL

Upon award, applicants will be required to execute a grant agreement and other security documents, as determined by Capitalize Albany Corporation in its discretion, including but not limited to some or all of the following: a promissory note (forgivable on meeting all grant requirements), personal guaranty for the note (if the applicant is an entity), mortgage (subordinated to certain other mortgages in Capitalize Albany Corporation's discretion), and lien filings. Included within the grant agreement/security documents will be commercially reasonable indemnification/insurance obligations on the part of any applicant awarded funds intended to protect Capitalize Albany Corporation from any potential liability related in any manner to this grant.

Prior to execution of the grant agreement and other security documents, the grantee must submit the following to Capitalize Albany Corporation:

- Architectural drawings and/or renderings of the improvements, reflecting placement, materials and colors to be used
- Documentation of commitment of funds for the project construction (commitment letter(s))
- Up to three (3) detailed proposals from licensed (if required), insured contractors reflecting work to be performed and costs. Any contractor that has submitted a competitive, detailed estimate can be used. Contractors cannot be changed during construction unless new proposals have been submitted to Capitalize Albany Corporation.

- Documentation of all licenses, permits, and approvals by the City of Albany, including but not limited to the City's Planning Board, Department of Buildings & Regulatory Compliance, and the Historic Resources Commission when applicable.
- Applicants must certify that all rehabilitation work and design features comply with all applicable city codes and ordinances, as well as state and federal law. It is the responsibility of the applicant to obtain all applicable permits and licenses, including all permits and Certificates of Occupancy required by the City of Albany and all other state and local permits. In addition, work must follow plans and specifications as approved by Capitalize Albany Corporation.

Capitalize Albany Corporation, in its sole discretion, has the right to require additional documentation prior to execution of the grant agreement.

The grants shall be recoverable and amortized over a period of two (2) years. Upon opening, the principal amount of the grant will diminish by ten (10) percent and shall diminish by forty-five (45) percent each year thereafter for a period of two (2) years. Grantee must commit to remain in the location for at least two (2) years and must create or retain for two (2) years during the term of the agreement one (1) or more full-time equivalent jobs. For a larger request, additional job creation may be required, at the discretion of Capitalize Albany Corporation. If the grantee does not default on the grant terms during the required two (2) year period, the grant will be closed. Failure to abide by the grant terms and conditions may result in (i) forfeiture of any grant funding awarded to applicant; and/or (ii) applicant repaying/returning to Capitalize Albany Corporation any grant funds awarded which had been already provided to the applicant (up to the full amount of grant funds).

All rehabilitation work and design features must comply with all applicable city codes and ordinances, as well as state and federal law. All applicable permits and licenses must be obtained, including all permits and Certificates of Occupancy required by the City of Albany and all other state and local permits. In addition, work must follow plans and specifications as approved by Capitalize Albany Corporation.

Applicants are highly encouraged to utilize local businesses and labor during the project's construction period. Applicants will be provided with the Albany Community Development Agency's list of pre-approved bidders and the City of Albany's list of MWBE contractors to assist in the applicant's search for skilled labor. While exclusive use of these firms is not required by the program, use of qualified firms that uphold the highest standards of employee care, insurance and local hiring is strongly preferred.

After approval, any changes to the project, no matter how minimal, must be approved by Capitalize Albany Corporation. Contractors cannot be changed during construction unless new proposals have been submitted to Capitalize Albany Corporation. Grant recipients must work closely with Capitalize Albany Corporation staff to communicate the project progress and resolve any issues or questions. Upon completion, all work must pass applicable state and/or local inspections. Capitalize Albany Corporation reserves the right to conduct site visits and should anything be discovered that is not consistent with the approved application, Capitalize Albany Corporation has the right to withhold the grant award, recapture any and all grant funds, or take any other available remedy to maintain compliance with these program guidelines.

Once the grant is approved, the applicant has six (6) months to begin construction. If the work does not begin within the six (6) month period, the applicant will be notified in writing that the grant may lapse and the agreement may be terminated with no grant funds awarded or available to the applicant. Once construction has started, the applicant has one year to complete the project and open for business. If the business has not opened at the end of the one (1) year period, the applicant will be notified in writing that the grant may lapse and the agreement may be terminated with no grant funds awarded or available to the applicant. If an approved project is nearing the six (6) month or one (1) year lapse point, an opportunity will be provided for the applicant to request an extension. An extension may be granted at the sole discretion

of Capitalize Albany Corporation staff depending on the project's circumstances and the future needs of the program. If an approved grant does lapse and is terminated, the applicant may reapply on a first-come, first-served competitive basis. There is no guarantee that a resubmission will be approved, and the project will be re-evaluated based upon the established criteria detailed above. Any expenditure incurred for projects approved but not completed will not be reimbursed.

The applicant may be subject to repayment of all grant funds to Capitalize Albany Corporation if the physical improvements paid for by this program do not remain in place for an agreed upon minimum period of time, if the concept changes without permission of Capitalize Albany Corporation or the business closes prior to the end of the agreed upon term.

RELEASE OF FUNDS

Under no circumstances will grant funds be disbursed as a cash advance prior to project costs being incurred and the project completed/business open and operating. The program will offer grants on a reimbursement basis only. Funds are disbursed only after the project is completed, and a disbursement request with paid receipts and/or invoices, cancelled checks, and/or certified checks for eligible project costs are submitted and approved by Capitalize Albany Corporation, and the establishment has received their Certificate of Occupancy from the City of Albany, is open for business, and has met all requirements in the contractual agreement. The full (100%) grant will be provided to the grantee in a single payment. Closing costs (e.g., Capitalize Albany Corporation attorney fees, recording fees and/or filing fees) may be deducted from the grant amount awarded.

Eligible receipts and invoices must, at a minimum, include the invoice date, scope of work, contractor name and contact information, cost, and be marked as paid or a zero balance must be indicated or other proof of payment is supplied. The invoices must clearly indicate the nature of the expense and that such expense is related to the approved project and business. Capitalize Albany Corporation will only be obligated to reimburse applicants for which eligible, reimbursement requests are received within six (6) months following the receipt of the Certificate of Occupancy.

If eligible project costs are less than the original grant approval, Capitalize Albany Corporation has the right to reduce grant awards. Awards will be pro-rated down accordingly.

At the Corporation's discretion, upon disbursement of funds, the grantee should first pay down any outstanding debt related to the project. Proof of such payment may be required.
