MINUTES

CAPITALIZE ALBANY
CORPORATION

Date of Meeting: January 28, 2025

Meeting: Capitalize Albany Corporation Board Meeting

The meeting of the Capitalize Albany Corporation Board of Directors was held at 8:00 a.m. Tuesday, January 28, 2025 at 21 Lodge Street, Albany, New York 12207.

The following were in attendance:

Board of Directors:

Kaweeda Adams	John Harris	Richard Sleasman	Anders Tomson
Michael Castellana	David Parente	Dr. Toyin Tofade	John Vero
Anthony Gaddy			

Staff: Ashley Mohl, Andrew Biggane, Mike Bohne, Andrew Corcione, Maria Lynch, Olivia Sewak and Cassidy Roberts

Others: Mayor Kathy Sheehan and David Galin, City of Albany; Robert Hennes and Alicia Lasch, Graypoint Advisors, LLC; Tom Owens, Esq.

Excused Directors: Sonya del Peral, Michael Fancher, Heather Mulligan, Karen Torrejon

Excused Staff: None.

With a quorum of the Members present, Board Chair Anders Tomson called the regular meeting of the Capitalize Albany Corporation (“Corporation”) Board to order at 8:06 a.m.

Review of the minutes from the Regular Board Meeting of December 17, 2024

The Board reviewed the minutes of December 17, 2024 Regular Board meeting. A motion to approve the minutes was made by Richard Sleasman and seconded by Anthony Gaddy. A vote being taken, the motion passed with all present members voting aye.

Board Member John Harris arrived at the meeting at 8:09 a.m.

Guest Speaker: Mayor Kathy Sheehan

Mayor Kathy Sheehan provided an overview of Albany’s outlook and priorities, emphasizing economic development and Governor Hochul’s \$400 million State of the State funding announcement for Downtown Albany. She highlighted the need for strategic investment in the city, including \$200 million for initiatives addressing public safety, quality of life, mental health, commercial corridor revitalization, repurposing vacant and underutilized buildings, and adding more attractions downtown, to include the \$150 million funding for updating the New York State Museum to increase tourism. She expressed the importance of fostering innovation and strategic development in Liberty Park and the surrounding corridor along Broadway and Pearl Street, extending to the Warehouse District, with the goal of seamlessly connecting all City neighborhoods to Downtown. The Mayor underscored the Corporation’s role in advancing the city's growth, and the Board commended her leadership in driving economic development while expressing appreciation for her advocacy. She concluded with a Q&A session with the Board.

Mayor Sheehan and David Galin departed the meeting at 8:42 a.m.

Report of the Finance & Investment Committee

Guest Speakers: Robert Hennes and Alicia Lasch, Graypoint, LLC

Representatives from Graypoint Advisors, LLC provided a comprehensive overview of the Corporation's Q4 investment performance. The investment portfolio was reviewed in detail, with dialogue confirming that the current allocation remains appropriate and in compliance with the Corporation's Investment Policy, while also considering potential adjustments in response to market conditions.

Pursuant to the Finance Committee's request from the January meeting, Staff and Graypoint expressed that revised quarterly reporting will commence to present a more consolidated analysis of the Corporation's financial position. This report will integrate both the investment portfolio and liquid assets to ensure a complete assessment of all funds and fixed assets held by the Corporation.

Robert Hennes and Alicia Lasch of Graypoint exited the meeting at 9:03 a.m.

Quarterly Financial Report and 2024 Unaudited Results

Staff reported on the financial performance of the Corporation for the 4th Quarter, which BST had prepared. On a pre-audit basis, through December 31, 2024, the Corporation had a net income of approximately \$2.2 million. Staff reviewed the unaudited budget results for 2024 with the Committee and provided a status update on the ongoing 2024 audit.

Annual Review of Corporate Policies

Annual Real Property Report and Finance Committee Charter

Staff and Finance Committee presented the Corporation's Real Property Report, detailing all properties owned as of December 31, 2024. Updates included the acquisition of 34 Hamilton Street and the removal of the properties on North Pearl and Clinton Avenue acquired by the Palace Theatre following their sale. Staff noted that an annual review of the Corporation's Real Property Report is required by the Authorities Budget Office (ABO) and will be used for state reporting due in March. Moreover, the Real Property Report and Finance Committee Charter were reviewed at the January Finance Committee meeting where they were recommended to the Board with no changes proposed. Staff reported that the Investment Policy will be reviewed later in 2024.

Resolution 1-2025 – Procurement Policy

Staff noted that the Procurement Policy was thoroughly reviewed in the fourth quarter of 2024. During the review, it was recommended and subsequently approved by the Board to increase the approval thresholds that determine when and if proposals in the procurement processes require Board approval. Additionally, changes were approved that provide greater flexibility, allowing one officer and one director to make recommendations on procurement selections. Staff further noted that the Finance Committee completed the annual review of the Procurement Policy at its January 2025 meeting and provided a positive recommendation for consideration by the full Board without amendment. The policy was confirmed to align with the Corporation's objectives and to comply with all applicable requirements. A motion to approve the *Procurement Policy – Resolution 1-2025* was made by John Harris and seconded by Kaweeda Adams. A vote being taken, the resolution passed with all members voting aye.

Resolution 2-2025 – Contract for Services for the Clinton Market Collective Operator

Staff updated the Board on the procurement process for selecting a Market Operator for Clinton Market Collective, the Skyway and Quackenbush Square. In accordance with Board guidance, Staff issued a Request for Proposals (RFP) on August 20, 2024, seeking a qualified firm to serve as the Market Operator for Clinton Market Collective, the Skyway and Quackenbush Square. One qualified response was received from Relentless Awareness, LLC. Staff conducted an interview with the Respondent and reviewed supplemental materials as part of the procurement process, ensuring compliance with the Corporation's procurement guidelines.

At the January Finance Committee meeting, Joe Bonilla of Relentless Awareness, LLC, presented his firm's proposal and addressed questions from the Committee. Following the presentation and review, the Finance Committee provided a positive recommendation to the Board to approve an award with a not to exceed value of \$125,000 and to authorize the President to negotiate and execute a contract with the Respondent. Based on this recommendation, Staff is requesting Board approval to proceed accordingly. Staff, Counsel and the Board discussed the advantages and potential concerns associated with the request.

The initial Board discussion indicated support for Resolution 2-2025 – Contract for Services Clinton Market Collective Operator –with an amendment to expressly indicate that Capitalize Albany will receive 100 percent of the revenue generated from the scope of services.

A motion to approve Resolution 2-2025 – Contract for Services for the Clinton Market Collective Operator authorizing the President to negotiate and execute a not-to-exceed contract of up to \$125,000 with Relentless Awareness, incorporating the amended contract terms specifying a fixed fee structure, and no revenue sharing was made by Kaweeda Adams and seconded by Richard Sleasman.

After the motion was passed, a Board member requested that the record reflect their opposition to the motion and their vote against it.

Counsel made the recommendation that the Board could enter into Executive Session for the discussion of matters relating to the appointment of a particular person or corporation. The Board agreed that it would be a prudent action, and Chair Tomson suggested the Board discuss any remaining agenda items before entering Executive Session.

Report of Executive Staff – Corporation Update

Staff advised the Board regarding the three (3) New York State Regional Economic Development Council awards within the City of Albany to date and acknowledged Governor Hochul's tremendous commitment to Downtown Albany within the proposed NYS Budget. Staff further provided an update on the Corporation's internal grant programs, from which small business reimbursements are steadily being issued in advance of the upcoming 2026 ARPA disbursement deadline.

Other Business & Executive Session

Liberty Park Update

Resolution 3-2025 – Contract for Real Estate Services

At the suggestion of Counsel, a motion to move into Executive Session for 1) the discussion of matters relating to the potential appointment of a particular person or corporation and 2) the discussion of matters regarding the potential disposition of real property, the publicity of which would substantially affect the value thereof, was made by John Harris and seconded by David Parente. Richard Sleasman recused himself from the meeting and the upcoming discussion due to a previously-disclosed potential conflict of interest related to his employment with CBRE. Michael Castellana recused himself from the meeting and the upcoming discussion due to a previously-disclosed potential conflict of interest related to his employment with Broadview.

The meeting moved to Executive Session at 9:21 a.m.

Michael Castellana left the meeting at 9:48 a.m.

Dr. Toyin Tofade made a motion to exit Executive Session, which was seconded by Anthony Gaddy. Following a unanimous vote, the meeting exited Executive Session at 10:06 a.m. The Board exited Executive Session with

a quorum of 8 Board members.

Chair Tomson noted that no action was taken during Executive Session, and the session was to affirm the motion and to discuss incorporating the amended contract terms specifying a fixed fee structure, and no revenue sharing into the vendor contract for services for the CMC Operator. Chair Tomson called for a vote on for Resolution 2-2025 – Contract for Services for the Clinton Market Collective Operator, with an existing motion and a second on the table. A vote being taken, the resolution passed with all present members voting in the affirmative.

Chair Tomson then called for a motion to approve Resolution 3-2025 – Real Estate Brokerage Services. Richard Sleasman recused himself from the meeting and the discussion due to a previously-disclosed potential conflict of interest related to his employment with CBRE and left the meeting at 10:08 a.m. A motion was made by Anthony Gaddy and seconded by Kaweeda Adams. A vote being taken, the motion passed with all other members voting aye. Staff provided a brief background on the procurement relative to the action being taken and read the whereas clause of the resolution aloud. The Board approved the resolution, subsequent to an amendment which would require RFP respondents to provide information on the broader impact of their proposal, beyond Liberty Park.

Adjournment

There being no further business, the Capitalize Albany Corporation Board meeting was adjourned at 10:10 a.m.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Capitalize Albany Corporation

Report on the Audit of the Consolidated Financial Statements

Opinions

We have audited the accompanying consolidated financial statements of Capitalize Albany Corporation, which comprise the consolidated statements of net position as of December 31, 2024 and 2023, and the related consolidated statements of revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Capitalize Albany Corporation as of December 31, 2024 and 2023, and the respective changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capitalize Albany Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capitalize Albany Corporation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Capitalize Albany Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capitalize Albany's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 to 9 be presented to supplement the basic consolidated financial statements. Such information is the responsibility of management and, although not a part of the basic consolidated financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic consolidated financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic consolidated financial statements, and other knowledge we obtained during our audit of the basic consolidated financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March __, 2025, on our consideration of Capitalize Albany Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Capitalize Albany Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Capitalize Albany Corporation's internal control over financial reporting and compliance.

CAPITALIZE ALBANY CORPORATION

MANAGEMENT'S DISCUSSION AND ANALYSIS

The following Management Discussion and Analysis (MD&A) of Capitalize Albany Corporation's ("Capitalize Albany" or "the Corporation") activities and financial performance, is offered as an introduction and overview of the consolidated financial statements of Capitalize Albany Corporation for the fiscal year ending December 31, 2024. Following this MD&A are the basic consolidated financial statements of the Corporation together with the notes thereto which are essential to a full understanding of the data contained in the consolidated financial statements. In addition to the notes, this section also presents certain supplementary information to assist with the understanding of Capitalize Albany Corporation's financial operations.

Capitalize Albany Corporation has a Corporate Governance Policy, which includes a conflict-of-interest policy and a conflict-of-interest disclosure. The conflict-of-interest disclosure is distributed to and completed by the Corporation's Board of Directors on an annual basis.

Not less than six times annually, the Board of Directors of Capitalize Albany Corporation meets to discuss programming needs, project activity and progress, and meets quarterly to discuss the Corporation's financial position. The Finance and Investment Committee meets on a quarterly basis or more frequently if necessary to provide enhanced project and transactional analysis. As necessary, the Committee makes recommendations for the Board's consideration. The Governance Committee meets twice a year or more frequently if necessary to among other things review and update corporate governance principles and practices. The Audit Committee meets twice a year among other things to appoint and oversee the Corporation's independent auditors, review and approve the Corporation's year-end financial statements and reviews the effectiveness of internal controls. In addition, the Audit Committee, without management present, independently meets with the external auditors to discuss relevant issues and concerns.

OPERATION SUMMARY

The mission of Capitalize Albany Corporation is to facilitate strategic economic development and stimulate transformative investment throughout the City of Albany, making New York's Capital a vibrant place to thrive. As a registered 501(c) (3) non-profit organization, the Corporation implements programs and resources to create, retain, and attract business in the City of Albany. Powered by investors composed of Albany's community and business leaders, Capitalize Albany manages and coordinates the local economic development functions in the City of Albany.

In 1979, the Capitalize Albany Corporation (formerly Albany Local Development Corporation) was incorporated to primarily provide financing to eligible businesses in order to create and retain employment and investment within the City of Albany. The Corporation continues to extend loans and plays an active role in facilitating strategic development, business development and transformational real estate development projects that have been identified as a priority. These efforts are developed in partnership with regional stakeholders and are backed by market analysis and trend identification. Implementation of its initiatives is accomplished through direct efforts of the Corporation as well as through collaboration with complementary organizations and tools.

Business Development

Capitalize Albany encourages job creation and business development through its work with individual businesses. This work includes, but is not limited to, extending grants to new and existing businesses, providing technical support with respect to accessing city, state and other economic development resources, and helping businesses to identify appropriate locations to grow and expand within the City. Capitalize Albany staff worked with more than 280 businesses in 2024. Capitalize Albany also works with government officials, business leaders, community and neighborhood organizations, and the public to ensure that the City maintains and enhances an environment that is both conducive to new business growth and supportive of the expansion of existing enterprises.

CAPITALIZE ALBANY CORPORATION

MANAGEMENT'S DISCUSSION AND ANALYSIS

In recent years, the Corporation has administered five distinct grant programs (Amplify Albany, Downtown Retail, Neighborhood Retail, Small Business Building Improvement, and Small Business Façade) in order to generate interest in commercial corridors, attract new investment at street level in the Downtown core and improve the quality of neighborhood commercial districts while catalyzing new investment. Launched in early 2023, the Small Business Building Improvement Grant Program, funded through the City of Albany's American Rescue Plan Act application process recognized its Project Completion milestone on December 31, 2024 for grantees awarded under the program. The Corporation awarded more than \$630,000 to 34 small businesses and 3 not-for-profit applicants for projects proposed to support the ongoing post COVID-19 recovery efforts of the awarded applicants. Eighty-five (85) percent of the small businesses awarded identified as disadvantaged business enterprises (DBEs) including minority, women and veteran-owned operations. This citywide program supported businesses in 15 Albany neighborhoods including in each of the Neighborhood Strategy Areas (NSAs) designated by the Albany Community Development Agency (ACDA) - Arbor Hill, West Hill, North Albany and Albany's South End neighborhood. Following funding approvals from the City of Albany Capital Resource Corporation (CACRC) prior to the pandemic, in early 2022, the Corporation launched the Neighborhood Retail Grant Program, which is designed to assist retail businesses with the costs associated with renovating or retrofitting a commercial space located in one of the identified neighborhoods within West Hill, Arbor Hill, North Albany & the South End, four of the City's Neighborhood Strategy Areas. In 2024 the program corridors were expanded to provide increased access to the program over a larger geographical area. This program continues to be actively marketed. In 2024, 15 organizations were awarded under Round 6 of the Small Business Façade Improvement.

Real Estate Development

Capitalize Albany facilitates real estate development in the City of Albany through programs and partnerships as well as brick and mortar projects of its own.

In 2010, the Corporation's Board of Directors established a Revolving Real Estate Loan Fund designed to provide subordinate lending to qualifying borrowers at below market rates in concert with primary lenders for the purpose of stimulating strategic development projects. The Board allocated \$2 million to capitalize the Fund which is focused on revitalizing strategic vacant or underutilized real estate that will contribute positive and transformational development activity. Through December 31, 2024, \$3,075,000 has been disbursed under this revolving loan fund program representing over \$37 million of project investment within the City of Albany. These projects have created 193 market-rate rental units.

Capitalize Albany also plays an active role, both directly and through technical assistance, in local transformative real estate developments that advance local, regional and state economic development and revitalization initiatives as described in the section below. In 2024, the Corporation assisted 50 multifamily, affordable housing, hotel and commercial projects by identifying available funding sources, providing technical assistance, and coordinating with local permitting agencies. Capitalize Albany also advanced its own real estate development projects through continued acquisition and stabilization of the parcels at Liberty Park and the design and construction of the Clinton Market Collective at 11 Clinton Avenue. In 2024, the Corporation completed construction activities at Clinton Market.

In addition to in-house real estate development efforts, Capitalize Albany, contracted under a professional services agreement, administers and provides staffing, office equipment, phone and computer network support to the City of Albany Industrial Development Agency (CAIDA) and the City of Albany Capital Resource Corporation (CACRC). In the past six years, more than \$600 million of investment was made possible in the City of Albany with support from the CAIDA, creating over 3,200 construction and 350 new and retained full-time jobs.

MANAGEMENT’S DISCUSSION AND ANALYSIS

Strategic Initiatives

The Corporation continues to follow the citywide economic development plan laid out in the Capitalize Albany Strategy as well as neighborhood, commercial district, City and Regional economic development and revitalization strategies to catalyze strategic growth in the Capital City. The Corporation’s execution of these various plans has resulted in the assistance of roughly \$500 million in Downtown Albany and more than \$1 billion of activity throughout Albany’s neighborhoods. Strategic projects such as the Skyway, a half-mile long linear park which opened in 2022 backed more by than \$10 million in state resources, the eight-acre Liberty Park redevelopment supported by the Upstate Revitalization Initiative and the Clinton Market Collective project completed and open, a Downtown Revitalization Initiative project, are direct result of the proven economic development strategies implemented by the Corporation.

The revitalization of Downtown Albany is also a strategic priority of Capitalize Albany Corporation. In response to the recognized need for a common vision, strategic direction, and tactical solutions to issues facing the Downtown neighborhood, Capitalize Albany launched Impact Downtown Albany, a strategic plan which positions Downtown, its adjacent warehouse district and waterfront as the ideal urban center, in 2014. The plan has provided a clear path forward for projects, incentives and structural changes and define what Downtown Albany should be striving toward throughout the next decade. Through December 31, 2024, Impact Downtown Albany has led to more than \$500 million of project investment completed and underway within the City of Albany. Facilitating the creation of Downtown residential units continues to be a priority and will act as a driving market force for economic development. Under Impact Downtown Albany, the Corporation has assisted in the creation of more than 1,000 units to date. More than 220 are currently under construction.

In 2015, the Impact Downtown Albany strategy served as a core guiding document for the creation of the Capital Region Economic Development Council's transformative regional strategy, the Capital 20.20 Plan. The Plan’s Metro section prioritized downtown development and matched Impact Downtown Albany catalyst sites with developers, resources, and prospective tenants to build on the current momentum and move aggressive projects forward. In late November 2023, the Capital Region Economic Development Council released their 2024-2028 Strategic Plan. The identified priorities – People, Place, Innovate, and Grow – reflect the same core strategies of the Capital 20.20 Plan and continue to align with Impact Downtown.

In 2024, Capitalize Albany continued its role as the strategic coordinator for the City of Albany, leading a refreshed Downtown Revitalization Initiative planning and application process for South Pearl Street and assisted in the preparation and coordination of a Restore New York application for the restoration and adaptation of a building on Madison Avenue, creating 11 mixed-income residential units on the second and third floors as well as four first-floor commercial spaces.

FINANCIAL OPERATIONS HIGHLIGHTS

Capitalize Albany Corporation’s activities fluctuate greatly from year to year. With such diversity, it is not always meaningful to compare revenue and expenditure levels to prior years. While revenues and expenditures for any given year represent activity during that year, one must consider the level of program revenue to program expenses within a given year, in relation to the projects undertaken and accomplished during that same year. A condensed summary of revenues and expenses for the years ended December 31, 2024 and 2023 is shown below:

	<u>2024</u>	<u>2023</u>
Total revenues		
Operating revenues	\$3,192,317	\$2,387,247
Capital grant funding	1,025,454	1,631,561
	<u>4,217,771</u>	<u>4,018,808</u>
Total expenses	<u>1,978,481</u>	<u>2,212,210</u>
Change in net position	<u>\$2,239,290</u>	<u>\$1,806,598</u>

CAPITALIZE ALBANY CORPORATION

MANAGEMENT'S DISCUSSION AND ANALYSIS

Total revenues increased \$198,963 or 5%:

- In 2023, capital grant income of \$1,100,000 was recognized under the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) subaward agreement with the City of Albany and approximately \$532,000 was recognized under the New York State Downtown Revitalization Initiative (DRI) for the redeveloping of an underutilized site on Clinton Avenue to transform it into the Clinton Market Collective. In 2024, approximately \$510,000 was recognized under the ESD grant for the acquisition and redevelopment of property in the Liberty Park neighborhood in Downtown Albany. \$250,000 was recognized under the National Grid grant and approximately \$265,000 was recognized under the DRI for the Clinton Market Collective.
- Grant and contribution income that is not capital-related is classified as operating revenue and decreased \$75,884 or 10% from \$754,192 in 2023 to \$678,308 in 2024. Revenue derived from grants and contributions is typically program specific and non-recurring. Significant grants and contributions in 2024 include \$250,000 from the CAIDA, \$165,843 from the Albany Community Development Agency and \$119,779 recognized under the Small Business Building Improvement Grant Program.
- Rental income increased \$63,687 or 15% from \$412,440 in 2023 to \$476,307 in 2024. This increase was primarily due to heavier than expected lot utilization in both the Montgomery Street and Liberty Park parking site locations.
- Other interest and investment income increased \$13,717 or 3% from \$438,634 in 2023 to \$452,351 in 2024 primarily due to FMV adjustments on the equity portion of the Corporation's investment portfolio.
- Interest income on mortgage notes decreased \$2,274 or 7% from \$34,913 in 2023 to \$32,639 in 2024 due to primarily to the scheduled amortization of existing mortgage debt.
- Fees, program, and other income increased \$662,265 or 89% from \$747,068 in 2023 to \$1,409,333 in 2024. This is primarily due to a redeployment of organizational resources previously associated with legacy initiatives.

Total expenses decreased \$233,729 or 11%:

- Salaries and fringe benefits decreased from \$1,123,632 in 2023 to \$946,417 in 2024.
- Program and project costs decreased \$64,112 or 11% from \$562,370 in 2023 to \$498,258 in 2024. The decrease is primarily attributable to an anomalous decline in programmatic awards associated with specific grant programs.
- Professional and consulting expenses increased \$39,411 or 13% from \$297,197 in 2023 to \$336,608 in 2024. This increase is primarily attributable to increased project volumes that resulted in additional legal and accounting services to support these initiatives.
- Interest expense decreased \$11,881 or 100% from \$11,881 in 2023 to \$0 in 2024. This decrease is attributable to the variable rate bonds for the Corning Preserve project being retired during the fiscal year.
- Bad debt expense totaled \$45,321 in 2023 compared to \$0 in 2024. The Corporation's allowance for losses is evaluated on a regular basis by management. Additional bad debt provisions are charged to earnings and offset by recoveries, if any.
- Other administrative expenses decreased \$25,389 or 15% from \$171,809 in 2023 to \$197,198 in 2024. This increase is attributable to higher repair and maintenance costs, staff professional development initiatives, and increases to insurance premiums for liability and property coverages.

CURRENT KNOWN FACTS, DECISIONS OR CONDITIONS

In 2025, Capitalize Albany will focus on the continued implementation of Corporation, local, regional and State revitalization strategies and strategic plans to further economic development and growth through new programs and initiatives, focusing on a variety of areas, including long-range vision, community engagement, and market-driven recommendations. These implementation efforts will be consistent with the Corporation's mission and align with the business, real estate and strategic development activities outlined above.

Capitalize Albany Corporation will also continue to focus on the implementation of the specific components of the Capital Region Economic Development Strategic Plan which are consistent with the mission of the Corporation. Special focus will be given to those projects which directly align with the objectives of Impact Downtown.

Capitalize Albany will also continue to facilitate the Capitalize Albany Economic Development Strategy. As part of that strategy, the Corporation will continue to focus on developing more downtown residential capacity and will pursue opportunities that will result in catalytic development projects as well as maximize and diversify potential revenue sources for the Corporation.

Continual execution of the Strategic Plan established by the Corporation's Board in 2009 will translate into potential projects. New economic development opportunities with the potential to generate new resources to stimulate growth will be developed by re-focusing and deploying existing strengths and resources. Ultimately, programmatic, marketing, and financial initiatives will reconcile to the objectives set forth in the Strategic Plan.

MANAGEMENT'S DISCUSSION AND ANALYSIS

In December 2017, the Corporation entered into a PSA with the Albany Convention Center Authority (ACCA) for transfer of property interests in the roughly five-acre ACCA surplus property surrounding Liberty Park in downtown Albany. The Corporation and the ACCA closed on this agreement in 2019. This development site (Liberty Park) was highlighted as a priority in both the Impact Downtown Albany and Capital 20.20 plans. In 2018, the Corporation formed Liberty Square Development, LLC to aid in the revitalization efforts to acquire and develop properties related to Liberty Park site redevelopment.

In 2019, the Corporation was awarded up to \$15 million in Upstate Revitalization Initiative funds for the redevelopment of Liberty Park. This funding will support acquisition, demolition, stabilization of property, infrastructure and public space improvements, design, planning, construction and renovation costs. Empire State Development approved the distribution of \$10.1 million for associated preliminary costs. In 2024, ESD approved a subsequent \$1.3 million to facilitate the project. Capitalize Albany has used the grant to acquire all parcels in the 8-acre footprint, with the exception of .88 acres for which the Corporation submitted an acquisition assistance application to the City of Albany Industrial Development Agency (CAIDA) in 2020 to facilitate future development within the site. Pursuant to an Order of the Supreme Court, CAIDA successfully took title to the properties in October 2022 under Eminent Domain Procedure Law. The Corporation closed on the final properties in April 2023 following the satisfaction of required notice period under Public Authorities Law. The legal proceedings to determine the final valuation of the properties began in 2024, with an interim value being assigned in June. CAIDA is pursuing an appeal.

In 2018, the City of Albany was chosen as the Capital Region's New York State Downtown Revitalization Initiative (DRI) \$10 million-winner in an effort administered by the Corporation on behalf of the City. Capitalize Albany's Clinton Market Collective project was competitively awarded \$1 million. This DRI Priority Project created a new market concept and proving ground for start-up businesses on the Corporation-owned 11 Clinton Avenue site. Capitalize Albany initiated the project's design phase in 2020 and broke ground on the project in April 2023 and completed construction in 2024.

FINANCIAL STATEMENTS

NOTE 1 — ORGANIZATION AND MISSION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Mission

Capitalize Albany Corporation (the “Corporation”) was formed under the Not-for-Profit Corporation Laws of the State of New York in October 1979 for the purposes of facilitating the creation of new employment opportunities, retaining existing jobs and encouraging investment that will expand the commercial and industrial tax base within the City of Albany (City). The Corporation facilitates large scale transformational real estate projects to accomplish its mission.

The Corporation's mission is accomplished by providing technical support for City, State and other economic development programs and loaning money to new or existing businesses. Additionally, the Corporation has invested in certain real estate, and leases such real estate to businesses in order to further job opportunities within the City.

The Corporation formed Citywide Property Holdings, LLC (Citywide) in April 2008 for the limited purpose of assisting the Corporation in the furtherance of the Corporation's mission. The Corporation is the sole member and manager of Citywide. Citywide's participation in the furtherance of the Corporation's mission is evaluated on a project basis. This participation includes, but is not limited to, holding property as available for sale to enhance project development.

The Corporation formed Liberty Square Development, LLC in January 2018 for the limited purpose of assisting the Corporation in the furtherance of the Corporation's mission. The Corporation is the sole member and manager of Liberty Square Development, LLC. Liberty Square Development LLC's operations include, but are not limited to, the acquisition, disposition and development of properties located in the Liberty Park area of Downtown Albany.

The Corporation formed 34 Hamilton Street, LLC in April 2024 for the limited purpose of assisting the Corporation in the furtherance of the Corporation's mission. The Corporation is the sole member and manager of 34 Hamilton Street, LLC. 34 Hamilton Street LLC's operations include, but are not limited to, the acquisition, disposition and development of properties located in the Liberty Park area of Downtown Albany.

The consolidated financial statements represent the consolidated financial position and the consolidated changes in financial position and cash flows of the Corporation, Citywide, Liberty Park Development, LLC, and 34 Hamilton Street, LLC. All intercompany transactions between the Corporation, Citywide, Liberty Park Development, LLC, and 34 Hamilton Street, LLC have been eliminated for financial reporting purposes.

Basis of Accounting and Presentation

The Corporation follows enterprise fund reporting; accordingly, the accompanying financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. Capitalize Albany Corporation's consolidated financial statements apply all applicable Governmental Accounting Standards Board (GASB) pronouncements as well as applicable Financial Accounting Standards Board (FASB) Statements and Interpretations issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements.

NOTE 1 — ORGANIZATION AND MISSION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Grant and contribution income

Grants, contributions, and similar items, including capital grant funding, are recognized as revenue when all requirements imposed by the grantor or contributor, if any, have been satisfied. Grant funds received for which all requirements have not yet been met are recorded as unearned grant and other income.

Rental income

Rental income is recognized as earned over the term of the related lease arrangements.

Fees, program, and other income

Fees, program, and other income consists primarily of management fees, which are recognized as earned under a management fee arrangement with terms of generally one year.

In addition, the Corporation, under Urban Development Action Grants (UDAG) financing arrangements through the United States Department of Housing and Urban Development (HUD), has recognized grant amounts as mortgage notes receivable, with corresponding credits to deferred program support. Principal repayments on these notes are recognized as fees, program, and other income and are applied against deferred program support. The UDAG agreements provide that the program income, together with the interest earned thereon, are restricted by HUD to be used for Title I eligible activities. The deferred program support account, in the Corporation's consolidated balance sheet, is a contra account which reflects UDAG loan principal repayments scheduled to be received in future years. There were no new UDAG grants in either 2024 or 2023.

Cash and Cash Equivalents

Cash is comprised of various interest bearing and non-interest bearing deposits in several financial institutions. The Corporation considers all highly liquid investments with original maturities of three months or less to be cash equivalents except for cash equivalents included in the investment account, which are included in investments in the accompanying consolidated balance sheets.

Investments

Investments are carried at fair value on a recurring basis, based on current market prices.

Mortgage Notes Receivable and Allowance for Losses

As explained further in Note 5, mortgage notes receivable are carried at the principal amount outstanding, net of an allowance for estimated uncollectible amounts. The Corporation's allowance for losses is evaluated on a regular basis by management and is estimated based on delinquency rates, current economic conditions, borrowers' outstanding balances, an analysis of borrowers' financial condition, and estimated value of any underlying collateral. This evaluation is inherently subjective as it requires estimates that are susceptible to significant revision as more information becomes available. The allowance for losses is increased by provisions charged to earnings and reduced by charge-offs, net of recoveries.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 — ORGANIZATION AND MISSION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Mortgage Notes Receivable and Allowance for Losses (Continued)

Loans made by the Corporation to recipient entities are generally issued as part of larger financial packages involving additional lenders. Substantially all of the Corporation's mortgage notes receivable, which are collateralized by real property and/or equipment, are subordinated to the loans provided by these other lenders. In some cases, projected growth and overall economic conditions have substantially changed since loan origination. The Corporation attempts to work with borrowers who are experiencing financial difficulties and has entered into debt restructuring agreements with respect to certain financially troubled borrowers. These restructuring agreements often incorporate notes, for which current repayment is contingent upon favorable future events as specified in the note agreement. Such uncertainties have been considered by the Corporation in establishing the estimated allowance for possible losses.

The Corporation places impaired loans on nonaccrual status and recognizes interest income on such loans only on a cash basis. Accrual of interest is discontinued on a loan when management believes, after considering economics, business conditions, and collection efforts that the borrower's financial condition is such that collection of interest is doubtful. Uncollectible interest previously accrued is charged off. Income is subsequently recognized only to the extent cash payments are received until, in management's judgment, the borrower's ability to make periodic interest and principal payments is back to normal, in which case the loan is returned to accrual status.

Property Held for Investment and Lease, Net

Property held for investment and lease is carried at the lower of cost or net realizable value and represents assets acquired to assist in the Corporation's mission of encouraging economic development and business retention within the City.

Property and Equipment, Net

Property and equipment is stated at cost. Depreciation of property and equipment is provided using straight-line method over the estimated useful lives of the respective assets ranging from 5 years for equipment to 40 years for buildings.

Liberty Park Properties

Liberty Park consists of properties within the boundaries of South Pearl Street, Madison Avenue, Broadway, and Hudson Avenue in the City of Albany, referred to as Liberty Park, held by the Corporation for possible redevelopment.

The Corporation records Liberty Park assets at historical cost. Cost is considered the appropriate basis for this project because several uncertainties exist with regard to the timing and nature of redevelopment completion. Cost includes the purchase price of the property, site improvements, development costs, and other capitalizable costs. The costs of normal maintenance and operation of the properties that do not add to the value of the properties are not capitalized. Cost basis does not necessarily represent fair value.

See Note 8 for additional information.

NOTE 1 — ORGANIZATION AND MISSION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Description of Leasing Arrangements

The Corporation, as part of its mission, has entered into arrangements leasing various parcels of real estate. The lease terms range from one to thirty years. The lease term is defined as the non-cancelable period of the lease plus any option to extend the lease when it is reasonably certain that it will be exercised. For leases with a term, including renewals, of twelve months or less, no lease assets or liabilities have been recorded in accordance with GASB Statement No. 87, *Leases*. See Note 9 for further disclosure of the lease arrangements.

Use of Estimates

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Corporation is a publicly supported organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Citywide, Liberty Park Development LLC, and 34 Hamilton Street, LLC's annual tax information filings are included with the annual filings of their sole member, Capitalize Albany Corporation.

Net Position

In order to present consolidated financial condition and consolidated operating results of the Corporation in a manner consistent with limitations and restrictions placed upon the use of resources, the Corporation classifies net position into three categories as follows:

Net invested in capital assets – This component of net position consists of property and equipment, including property held for investment and lease, net of accumulated depreciation, and reduced by the outstanding balances of debt attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net invested in capital assets. Rather, when applicable, that portion of the debt is included in the same net position component as the unspent proceeds.

Restricted – This component of net position consists of constraints placed on assets use through external constraints imposed by creditors, by law or regulation, or through enabling legislation.

Unrestricted – This component of net position consists of net position that does not meet the definition of “net invested in capital assets” or “restricted.”

Reclassifications

Certain items in the prior year financial statements have been reclassified to conform to the current year presentation.

NOTE 1 — ORGANIZATION AND MISSION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Pronouncements

Effective for the year ended December 31, 2024, the Corporation implemented GASB Statement No.101, "*Compensated Absences*," which clarifies the recognition, measurement, and financial reporting requirements for compensated absences. This statement establishes a uniform methodology for recognizing liabilities related to leave benefits earned but not yet taken. Upon evaluation, the implementation of GASB 101 did not have a material impact on the Corporation's financial statements or related disclosures. The Corporation's existing policies and practices were consistent with the principles outlined in GASB 101.

Subsequent Events

For purposes of preparing these financial statements, Capitalize Albany Corporation considered events through the date the financial statements were available for issuance.

NOTE 2 — CASH AND CASH EQUIVALENTS

The Corporation maintains its cash in bank accounts with several financial institutions.

The Corporation has not experienced any losses with respect to its cash and cash equivalents balances. Based on management's review of the strength of the financial institutions, management feels the risk of loss on its cash balances is minimal.

At December 31, 2024, the carrying amount and the bank balances of the Corporation's deposits were approximately \$2,248,000 and \$2,260,000, respectively. Of the bank balances, approximately \$510,000 was insured under FDIC coverage. The remaining balance was collateralized by securities pledged by the depositaries at December 31, 2024.

NOTE 3 — RESTRICTED CASH

Generally, restricted cash represents funds that have been placed in a segregated account that cannot be used for a purpose other than the purpose for which that account is designated. Restricted cash includes amounts restricted for the following purposes at December 31:

	<u>2024</u>	<u>2023</u>
Liberty Park	\$1,680,939	\$2,291,873
CDBG eligible activities	116,770	115,320
EC/EDZ revolving loan fund	-	718,118
Hudson River Way campaign	<u>60,372</u>	<u>59,622</u>
Total restricted cash and cash equivalents	<u>\$1,858,081</u>	<u>\$3,184,933</u>

At December 31, 2024, bank balances of restricted cash were approximately \$1,858,000 of which approximately \$427,000 was insured under FDIC coverage and the remaining balance was collateralized. The Liberty Park bank balance is fully collateralized in compliance with the Corporation's investment guidelines.

NOTE 4 — INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments consist of the following at December 31:

	2024		2023	
	Cost	Fair Value	Cost	Fair Value
Fixed Income Securities	\$ 5,093,398	\$ 5,061,436	\$ 5,519,146	\$ 5,445,552

Total	<u>\$ 5,853,999</u>	<u>\$ 5,946,145</u>	<u>\$ 6,383,422</u>	<u>\$ 6,384,679</u>

Unrealized gains of approximately \$65,600 and \$3,500 at December 31, 2024 and 2023, respectively, are included in other interest and investment income in the consolidated statements of revenue and expenses and changes in net position.

GASBS No. 72, *Fair Value Measurement and Application*, establishes requirements on how fair value should be measured, which assets and liabilities should be measured at fair value, and what information about fair value should be disclosed in the notes to the financial statements. Recurring fair value measurements are those that Governmental Accounting Standards Board (GASB) Statements require or permit in the statement of net position at the end of each reporting period. Fair value measurements are categorized based on the valuation inputs used to measure an asset's fair value: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The following table sets forth, within the fair value hierarchy, the Corporation's assets at fair value at December 31, 2024 and 2023:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total

NOTE 5 — MORTGAGE NOTES RECEIVABLE, NET

The Corporation's mortgage notes receivable are comprised of 17 individual accounts at December 31, 2024 and 2023, with an average outstanding principal balance approximating \$143,000 at December 31, 2024 and 2023.

Repayment terms and interest rates on mortgage loans vary with each loan. Generally, interest rates range from 0% to 9% per year, with a weighted yield on all loans approximating 4.44% and 4.45% for the years ended December 31, 2024 and 2023, respectively. Current maturities range through the year 2029.

Substantially all mortgage notes are collateralized by a subordinate interest in real property and/or equipment.

The composition of mortgage notes receivable by funding source is as follows at December 31:

	2024		2023	
	Number of Notes	Amount	Number of Notes	Amount
CDBG	1	\$ 33,735	1	\$ 33,735

Less: current portion		6,416		15,140
Noncurrent		<u>\$ 469,901</u>		<u>\$ 475,837</u>

The Community Block Development Grant Program (CDBG) and UDAG notes were funded through monies received under Federal programs in prior years.

The Revolving Real Estate Loan Fund was established through an allocation of \$2 million of general funds of the Corporation for the purpose of stimulating strategic development projects. The Corporation also lends monies to individuals, businesses, and non-profit agencies for other projects in furtherance of its mission utilizing general funds of the Corporation. Both the Revolving Real Estate Loan Fund and Other notes are not restricted by any external funding sources.

The allowance for losses related to impaired loans approximated \$1,946,000 at December 31, 2024 and 2023. Interest income recognized during 2024 and 2023 on impaired mortgage notes receivable, while such mortgage notes receivable were impaired, was not material.

Corning Preserve Project

The Corporation, in 2002, functioned as the conduit agency with several related parties related to a project to construct various improvements to a portion of the Corning Preserve Park (Corning Preserve Project). The Corporation entered into an interim use and ground lease agreement with the City providing for a ground lease of the property owned by the City, underlying the Corning Preserve Project. The interim use and ground lease agreement has a thirty-five year term and provides for a nominal rent payment. At the end of the lease term the Corning Preserve Project reverts to the City.

The Corporation entered into a lease agreement with the City of Albany Industrial Development Agency (CAIDA) to sublease the property to the CAIDA. The sublease expires at the earlier of a date requested by the Corporation or the completion date of the Corning Preserve Project. The lease agreement provides for a nominal payment. The Corporation also entered into an installment sale agreement with the CAIDA pursuant to which the Corporation is obligated, among other things, to complete the Corning Preserve Project as the agent of the CAIDA and the CAIDA sells the Corning Preserve Project to the Corporation on an installment basis. The Corporation's payments under the installment sale agreement are equivalent to the debt service requirements on the \$4,390,000 in 2002 Civic Facility Revenue Bonds issued by the CAIDA to fund the Corning Preserve Project, which is accounted for as bonds payable (see Note 10).

Corning Preserve Project (Continued)

The Corporation entered into a shared use and sublease agreement with the Albany Port District Commission (the “Port”). Under the shared use and sublease agreement the Port is obligated to perform on behalf of the Corporation, the Corporation’s obligations under the interim use and ground lease agreement and the installment sale agreement. Also under the shared use and sublease agreement, which is accounted for as a lease under GASB Statement No. 87, *Leases*, the Port is obligated to fund the Corporation’s obligations relating to the Corning Preserve Project, including funding payments sufficient to cover all related bond debt service and certain other expenses (see Note 9).

Clinton Market Collective Project

The Corporation’s Clinton Market Collective will create a new market concept and proving ground for start-up businesses on the Corporation-owned 11 Clinton Avenue site in Downtown Albany. Project funding includes \$1,160,240 from NYS Department of State through the Downtown Revitalization Initiative (DRI), \$750,000 from Empire State Development, \$1,100,000 from City of Albany American Rescue Plan Act (ARPA) funding, \$250,000 from National Grid, and up to \$610,000 in Corporation resources. The Corporation initiated the project’s design phase in 2020, and the Project officially broke ground on April 25, 2023. As of July 2024, the construction portion of approximately \$3.8 million project has been completed. Clinton Market complements the adjacent Skyway, the Capital Region’s first and only elevated linear park – a project similarly designed under sponsorship and management of Capitalize Albany with funding assistance from the New York State office of Parks, Recreation and Historic Preservation.

NOTE 7 — PROPERTY AND EQUIPMENT, NET (Continued)

Depreciation expense, including depreciation expense on property held for investment and lease, was approximately \$191,000 and \$192,000 for the years ended December 31, 2024 and 2023, respectively, and is included in program and project costs on the consolidated statements of revenues and expenses and changes in net position.

NOTE 8 — LIBERTY PARK PROPERTIES

Liberty Park consists of property within the boundaries of South Pearl Street, Madison Avenue, Broadway, and Hudson Avenue in the City of Albany, referred to as Liberty Park, held by the Corporation for possible redevelopment.

The Corporation records Liberty Park assets at historical cost. Cost is considered the appropriate basis for this project because several uncertainties exist with regard to the timing and nature of redevelopment completion. Cost includes the purchase price of the property and site improvement and development costs. The costs of normal maintenance and operation of the properties that do not add to the value of the properties are not capitalized. Cost basis does not necessarily represent fair value.

In December 2017, the Corporation entered into a Purchase and Sale Agreement with the Albany Convention Center Authority (ACCA) for the transfer of property interests in the roughly five acre ACCA surplus property surrounding Liberty Park in downtown Albany (Liberty Park) for a nominal purchase price of \$1. The Corporation and the ACCA closed on this transfer effective December 2019. As part of the agreement, the Corporation assumed certain ground lease obligations.

In 2019, the Corporation was awarded up to \$15 million in Upstate Revitalization Initiative funds for the redevelopment of Liberty Park. Empire State Development (ESD) approved an initial investment of \$10.1 million for the acquisition of property rights (fee and/or leasehold interests as needed), emergency demolition, property maintenance, operation and stabilization, and administration, planning and design, which was transferred to a restricted cash account held by the Corporation. Drawdowns of grant funds from the restricted account must be approved by ESD.

The Corporation utilized a portion of the grant funds to purchase portions of the Liberty Park site, with certain existing leases that have since been terminated, for approximately \$3,300,000 in November 2019, which is included in the Liberty Park properties asset in the accompanying consolidated statements of net position.

Effective October 24, 2022, and pursuant to an Order of the Supreme Court dated October 21, 2022, the City of Albany Industrial Development Agency (CAIDA) was vested with title to various parcels of land related to the Liberty park site that the Corporation previously held under ground lease agreements (the "Liberty Park Land Parcels") pursuant to the provisions of the Eminent Domain Procedure Law of the State of New York (the "EDPL"). Pursuant to Section 302 of the EDPL, the CAIDA arranged for the preparation of a commercial appraisal of the Land and such appraisal estimated the fair market value of the Liberty Park Land Parcels to be equal to \$2,650,000. In connection with the vesting of such title, the CAIDA deposited an amount equal to \$2,650,000 with the office of the Albany County Clerk as an advance payment (the "Advance Payment") for the acquisition of the Liberty Park Land Parcels pursuant to a Notice of Deposit with Court dated September 30, 2022. The actual amount to be paid by the CAIDA for the acquisition of the Liberty Park Land Parcels is subject to a determination by the Supreme Court pursuant to a proceeding under the EDPL. The Corporation and the CAIDA have entered into a Funding Agreement dated as of November 11, 2020 whereby the Corporation has agreed to pay the purchase price for the Liberty Park Land Parcels.

NOTE 8 — LIBERTY PARK PROPERTIES (Continued)

The CAIDA authorized the conveyance of the Liberty Park Land Parcels to Liberty Square Development, LLC, a subsidiary of the Corporation, for the purpose of holding title to the Liberty Park Land Parcels. Following the satisfaction of the 90-day public agency notice period required under Section 2897 of the Public Authorities Law, the CAIDA completed the conveyance of the Liberty Park Land Parcels to Liberty Square Development, LLC. in April 2023. The Corporation utilized grant funds to provide the CAIDA with the \$2,650,000 advance payment in July 2022, which is included in the Liberty Park properties asset in the accompanying consolidated statements of net position due to the conveyance of the properties from the CAIDA to the Corporation. All previous ground leases related to these properties have since been terminated. The Corporation closed on the final properties in April 2023 following the satisfaction of required notice period under Public Authorities Law. The legal proceedings to determine the final valuation of the properties began in 2024, with an interim value being assigned in June. CAIDA is pursuing an appeal.

Significant assets, liabilities, revenues, and expenses associated with the Liberty Park properties as of and for the years ended December 31, 2024 and 2023 are summarized below and included in the referenced category (financial statement line item) in the consolidated financial statements:

	<u>2024</u>	<u>2023</u>

NOTE 9 — LEASES

The Corporation is lessor in multiple property lease arrangements. The Corporation leases out the Quackenbush Square Parking Lot, Quackenbush House and the Corning Preserve Project which are classified as property held for investment and lease (see Note 6), to help accomplish its economic development goals. The Corporation also leases out office space within one of their buildings.

The Corporation leases the Corning Preserve Project to the Albany Port District Commission (the "Port") under a shared use and lease agreement (see Note 6). The shared use and sublease agreement has a thirty year term expiring in 2032. Under the shared use and lease agreement the Port is obligated to make lease payments sufficient to cover all related bond debt service and certain other expenses. The annual rent payments due from the Port will change on a year to year basis as a result of the variable interest rate associated with the bonds, the amortization schedule of the bonds and bond prepayments. The Corporation is recognizing the base rental income on a straight-line basis over the life of the lease based on the lease factors at inception of the lease. For each of the years ended December 31, 2024 and 2023, rental income approximated \$151,000. Increases or decreases to the base rental income result from changes in lease factors occurring subsequent to the inception of the lease and are recognized as contingent rentals in the period that the changes take place.

NOTE 9 — LEASES (Continued)

Original terms of the space and building leases range from three to fifteen years. Certain agreements provide for periodic adjustments to base rents based upon changes in the CPI. These variable revenues are recognized as period costs in the year incurred.

The Corporation reported lease receivables of \$51,559 and \$348,677 at December 31, 2024 and 2023, respectively, on their non-cancelable leases that have initial lease terms in excess of one year or remaining lease terms in excess of one year from January 1, 2021, the initial application date of GASB Statement No. 87, *Leases*. The interest rates used in the Corporation's calculations of the present value of the lease receivables ranged from 0.23% to 0.63%.

The following is a schedule by year of the future minimum receipts to be recognized on these leases:

	<u>Principal</u>	<u>Interest</u>	<u>Receipts</u>
2025	\$ 44,149	\$ 113	\$ 44,262
2026	7,410	3	7,413
	<u>\$ 51,559</u>	<u>\$ 116</u>	<u>\$ 51,675</u>

Deferred inflows of resources of \$1,144,008 and \$1,336,587 are reported in the Statement of Net Position at December 31, 2024 and 2023, respectively, related to these leases. The deferred inflows of resources will be recognized as lease revenue over the term of the lease on a straight-line basis.

The following is a schedule of revenues recognized for the years ended December 31, 2024 and 2023 related to the above leases:

- (A) The Corporation functioned as the conduit agency in connection with a 2002 Civic Facility Revenue bond issue of the CAIDA in the amount of \$4,390,000. The proceeds were utilized to fund a project that includes the construction of various improvements to the Corning Preserve Park. The obligation requires monthly payment of interest and the interest rate is adjusted weekly. The bonds mature in May 2027. The bonds are secured by a letter of credit issued by Key Bank. The letter of credit required principal payments on the outstanding bonds, annually on May 1, in the prescribed amount of \$255,000 in 2024, thus providing for the full amortization of the bonds by the 2027 maturity date. The letter of credit also requires principal payments on the outstanding bonds if certain grant proceeds related to the Corning Preserve Project are received. The interest rate at December 31, 2023 was 4.19%. The Corning Preserve Project is leased to the Port under a related agreement (see Note 9).

At December 31, 2024, there were no remaining principal and interest requirements.

NOTE 11 — REVOLVING LOAN FUND LIABILITY

In June 1999, the Corporation, pursuant to an agreement with the Center for Economic Growth, was the recipient of certain grant funding under the FEC Program. As detailed in the Agreement, CAC received funding to establish and coordinate a revolving loan fund known as the “Albany Local Development Corporation Enterprise Community Loan Pool” (“ECLP”). In accordance with the Agreement, CAC used these funds to make loans to eligible residents and/or businesses located within the Albany Enterprise Community and/or Albany Economic Development Zone. Pursuant to the Agreement, all such ECLP loan funds were fully deployed to eligible businesses and/or individuals by December 31, 2005. Furthermore, all such deployed loan funds were repaid by Borrowers by March 31, 2024.

The Corporation determined that any loan proceeds returned/remaining in the loan fund account can be used for purposes within the Corporation’s mission. Given this, in May 2024, absent subsequent input preventing such action, CAC notified ESD of its intent to repurpose the repaid ECLP funds. These funds, which have been held in a restricted bank account, are to be re-deployed in support of CAC’s mission to “facilitate strategic economic development and stimulate transformative investment throughout the City of Albany.” Approximately \$749,000 was released from restrictions and recognized as revenue in 2024 under fees, program, and other income on the statement of revenues and expenses and changes in net position.

NOTE 12 — EMPLOYEE BENEFIT PLANS

Retirement Plan

Effective January 1, 2020, the Corporation replaced the existing SEP-IRA plan with a company-sponsored 401(k) plan. The Corporation elected to continue to contribute 11% of eligible employee compensation to the 401(k) plan.

During 2024 and 2023, nine and ten employees were covered by the plans, and total contribution expenses incurred were approximately \$81,000 and \$96,000, respectively.

Post Employment Benefit

The Corporation does not offer post-employment benefits to its employees.

NOTE 13 — COMMITMENTS AND CONTINGENCIES

Grants

The Corporation's grants are subject to audit by agencies of the Federal and State governments. Such audits may result in disallowances and a request for a return of funds to the Federal and State governments. The Corporation believes, based upon its review of current activity and prior experience, the amount of such disallowances, if any, will be minimal. In the opinion of the Corporation's management, all grant funds were expended in accordance with applicable terms.

Paycheck Protection Program

In May 2020, the Corporation received loan proceeds of \$129,100 under the Small Business Administration's ("SBA") Paycheck Protection Program ("PPP") established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). Generally, the PPP loan and related accrued interest are forgivable, as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains certain payroll levels. The Corporation applied for and was notified that the full \$129,100 in eligible expenditures for payroll and other expenses described in the CARES Act was forgiven effective January 5, 2021. The forgiveness was recognized in the 2021 consolidated statement of revenues and expenses and changes in net position.

According to the rules of the SBA, the Corporation is required to retain PPP Loan documentation for six years after the date the loan is forgiven or repaid in full, and permit authorized representatives of the SBA, including representatives of its Office of Inspector General, to access such files upon request. Should the SBA conduct such a review and reject all or some of the Corporation's judgments pertaining to satisfying PPP Loan eligibility or forgiveness conditions, the Corporation may be required to adjust previously reported amounts and disclosures in the financial statements.

NOTE 14 — RISKS AND UNCERTAINTIES

From time to time, the Corporation may be involved in legal proceedings and litigation arising in the normal course of business. In the opinion of management, the outcome of any outstanding proceedings and litigation will not materially affect the financial position, results of operations and cash flows of the Corporation.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Capitalize Albany Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Capitalize Albany Corporation, which comprise the consolidated statement of net position as of December 31, 2024, and the related consolidated statements of revenues, expenses and changes in net position, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March __, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Capitalize Albany Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Capitalize Albany Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Capitalize Albany Corporation's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Capitalize Albany Corporation's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, including Investment Guidelines for Public Authorities and Capitalize Albany Corporation's investment guidelines, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

DRAFT

2024 Assessment of the Effectiveness of Internal Controls

Capitalize Albany Corporation (“Corporation”) Major Business Functions:

The primary mission of the Corporation is as follows:

Facilitate economic development projects within the City of Albany

The Capitalize Albany Corporation (formerly the Albany Local Development Corporation) was incorporated in 1979 to primarily provide financing to eligible businesses in order to create and retain employment and investment within the City of Albany. The Corporation also plays an active role in facilitating large-scale transformational real estate projects that the Corporation identifies as a priority.

No changes have occurred with respect to funding sources, mission or objectives of the Corporation during 2024. Accomplishments, including financial status, committee accomplishments and legal requirements are outlined on a monthly basis via publicly advertised and open meetings. Minutes of these meetings as well as supporting documents are maintained on the agency’s website.

Risks Associated with the Corporation’s Operations:

Public meeting rules are in place and regularly followed. The Chair of the Board of Directors is regularly engaged as are other board members. The Audit and Finance Committees regularly reviews financial information which is then presented to the board at publically open meetings. Additionally, for both legal and financial aspects, the Corporation utilizes outside sources with expertise in the associated functions to lend additional controls. As such, risks are deemed to be low for all activities and functions within the Corporation. A review for 2024 finds no change to the differing levels of involvement and approval.

Internal Control Systems in Place

There has been a longstanding set of policies, procedures and guidelines in place at the Corporation that are designed to ensure the Corporation's mission is carried out in full and to minimize risk. These items remained in place during 2024. Some of the key internal controls in place include:

- Public meeting and disclosure requirements are in effect and regularly followed.
- Board of Directors annually reviews and accepts the NYS PAAA policies.
- As noted previously, the use of external parties provides additional levels of internal control. Additionally, personnel with appropriate backgrounds and experience are utilized to help identify such items as legal or financial risks.
- Consistent reports are provided to management as well as the various committees and the full Board of Directors.
- The Corporation annually has a financial audit. The financial audit provides an opinion on the financial statements and also includes the audit related assessment of internal controls.
- The Corporation’s board actions have addressed internal controls through review and adoption of policies and procedures. These policy and procedures include the following:
 - Annual Board adoption and acceptance of NYS PAAA policies
 - Annual Board adoption and acceptance of PARIS reports
 - Annual external financial audit with Audit Committee oversight

- Annual completion of Board self-evaluation.
- Annual meeting of membership to appoint Board of Directors
- Annual review and acceptance of the Corporation's performance goals
- Annual completion of the Board's Conflict of Interest Declaration forms
- Annual Review and adoption of the Corporation's Procurement Policy
- Annual Review and adoption of the Corporation's Investment Policy
- Annual Review of the Corporation's investment performance
- Annual Review and adoption of the Corporation's Property Acquisition and Disposition Policy.

Extent to Which the Internal Control System is Effective

Management has reviewed the internal control system for 2024 and finds that the items as outlined above remain in place and functioning as expected. The Corporation's most recent financial audit (for the calendar year 2023 and the year ended December 31, 2023) identified no material weaknesses or significant deficiencies. Policies and procedures in place are deemed sufficient. As noted previously, the Corporation's staff regularly reviews updates to pertinent rules.

Corrective Action

No specific corrective action is required at this time. Management consistently works to strengthen controls as possible.

To: Chairman and Board, Capitalize Albany Corporation (“CAC”)

From: Chairman, CAC Audit Committee

Subj: *CAC Audit Committee Annual Report for 2024*

The CAC Audit Committee Charter provides that the Audit Committee “shall present annually to the Corporation’s Board a written report of how it has discharged its duties and responsibilities as outlined in the Charter.”

Below is the Committee’s Annual Report for 2024. The format below identifies each of the Committee’s four major areas of responsibilities followed by a summary of the Committee’s 2024 activities.

I. Independent Audit

A. “Appoint, compensate and oversee the independent auditors”

- Committee engaged CAC’s independent auditor;
- Committee met with the independent auditor to review the scope/planning of audit prior to audit commencement and ensured CAC’s full transparency/cooperation with the audit process;
- Committee met with the independent auditor during, and following, the audit to oversee the audit process and review/approve CAC’s audited financial results, report on internal controls, and related auditor communications; and
- Committee reviewed both the 2023 and 2024 audit process and the performance/independence of the independent auditor, and found no deficiencies.

II. Internal Controls

A. “Review the Management’s assessment of internal controls and the independent auditor’s report on internal controls”

- Committee reviewed CAC management’s assessment of internal controls and the independent auditor’s report on internal controls.

III. Special Investigations

A. “Ensure . . . confidential mechanism to report suspected fraudulent activities, allegations of corruption, fraud . . . and oversee special investigations as needed”

- No allegations/reports of any improper activity were received by the Committee.

IV. Other Responsibilities

A. “Review Committee’s Charter annually . . . and recommend any proposed changes to the Board”

- No proposed changes to the Charter were recommended in 2024.

B. “Conduct an annual self-evaluation of [Committee] performance, including its . . . compliance with the Charter and request Board approval for proposed changes”

- Committee reports that it complied with the Charter and has no request for Charter changes.

**RESOLUTION 4-2025
OF THE
CAPITALIZE ALBANY CORPORATION**

WHEREAS, the mission of Capitalize Albany Corporation (“CAC”) is to facilitate strategic economic development and stimulate transformative investment throughout the City of Albany, fostering a vibrant and thriving community; and

WHEREAS, in pursuit of this mission, CAC engages in various initiatives that contribute to the City’s economic growth, including providing credit for projects which have the potential to contribute to economic growth within the City; and

WHEREAS, as part of its ongoing business administration, CAC conducts regular due diligence, including the staff performing comprehensive reviews of, and reviewing with the Finance Committee on regular periodicity all loans in its portfolio to assess the status of such loans, including but not limited to collectability; and

WHEREAS, in preparation for the completion of the CAC independent audit for the fiscal year ending December 31, 2024, and in consultation with Hacker Murphy, LLP, CAC has conducted a detailed review of its complete loan portfolio to identify those specific loans which are uncollectible due to borrowers filing bankruptcy, borrower insolvency, lack of available security due to subordinated loan status and/or collateral value, or other factors, and such review identified uncollectible legacy loans dating back to as early as the 1980s, all of which loans have been long been 100% reserved by the Corporation on its financial records, as detailed in Exhibit A; and

WHEREAS, in accordance with relevant provisions of the New York State Public Authorities Law, CAC solicited and received email consultation from the New York State Authorities Budget Office on February 10, 2025, confirming that the loans deemed uncollectible by a public authority should be reported as such on an individual basis in the Public Authorities Reporting Information System (PARIS) filing and should be excluded from reporting in future fiscal years; and

WHEREAS, the Finance & Investment Committee has reviewed this matter and recommends that the Capitalize Albany Board of Directors authorize staff to proceed in accordance with the guidance provided by the New York State Authorities Budget as it relates to PARIS; and

NOW, THEREFORE, BE IT RESOLVED, that the Capitalize Albany Corporation Board of Directors hereby authorizes the designation of the identified uncollectible loans in the PARIS filing for the fiscal year ending December 31, 2024, and directs staff to take all necessary actions to implement this resolution.

Signed: _____
 John Vero, Esq., Secretary

Date of Authorization: March 25, 2025
